11. CHANGES

The Service Provider shall perform the Work in accordance with the required schedule delivery dates provided in the Agreement or Purchase Order. The Parties agree that these performance and delivery schedules are a material requirement and that Ibercal relies on Service Provider's timely performance of the Work.

Ibercal may, at any time, by written Change Notice, make a change to the Work, including but not limited to the following:

- (a) In the technical specifications (including drawings and other design documents);
- (b) In the method or manner of performance of the Work; or
- (c) To the schedule date delivery requirements.

If any Change Notice hereunder causes an increase in the Service Provider's cost of, or the time required for, the performance of the Work, Service Provider shall be entitled to an adjustment. The Service Provider must assert its right to an adjustment under this clause within ten (10) Days from receipt of Ibercal's written Change Notice, including the basis for its claim and substantiating documentation. To the extent that any Change Notice reduces the scope of the Work to be performed by Service Provider, Ibercal shall be entitled to a credit for the portion of the Work affected by such Change Notice.

12. BACKCHARGES

Ibercal shall give Service Provider written notice of any purported breach which may occur during Service Provider's performance of the Work, specifying in reasonable detail the circumstances of such breach. Service Provider shall, within seven (7) Days of receipt of such notice, submit for Ibercal's approval, a plan to remedy the breach at Service Provider's sole cost and within the shortest practicable time consistent with the breach to be remedied.

Service Provider hereby agrees that if it fails to begin to implement the necessary corrective actions, or through its actions or words, refuses to respond to Ibercal's request to correct the purported breach, Ibercal, in its sole discretion, shall notify Service Provider in writing that Ibercal will undertake or cause others to undertake the necessary corrective actions at Service Provider's sole cost and expense, through the issuance of a backcharge to Service Provider's account, including all costs incurred by Ibercal, its Customer or by any Third Party, in performing, completing, or correcting the Work.

The cost of the backcharge work will include, but may not be limited to:

- (a) Labor: at actual cost including payroll burdens;
- (b) Materials: at actual cost, delivered to the Site; and freight at actual cost;
- (c) Construction equipment: at actual rental cost, or at Ibercal's equipment rental rates, as applicable;
- (d) All taxes, levies, duties, and assessments attributable to the backcharge work; and
- (e) A mark-up of thirty percent (30%) applied to items (a) through (d) above for Ibercal's indirect costs, supervision, and administration.

Ibercal will furnish Service Provider with a written cost estimate for the performance of same, and will request Service Provider's written agreement prior to proceeding. However, if after a reasonable period of time, Service Provider and Ibercal fail to agree, if an urgent situation arises, or if such delay will create a negative impact on Ibercal's schedule with its Customer, Service Provider hereby agrees that Ibercal may proceed with necessary corrective action without Service Provider's written agreement.

As backcharge tasks are accomplished, Ibercal will invoice Service Provider. The invoice will identify the specific task completed and will provide reasonable backup information. If the total cost exceeds or is expected to exceed

the estimate provided by Ibercal to Service Provider, Ibercal will notify the Service Provider as soon as practical so that Service Provider is made aware of the adjustment prior to issuance of the invoice.

Ibercal shall invoice Service Provider or offset the cost of the backcharge work against any remaining Purchase Order or Agreement balance due Service Provider. To the extent such backcharge sums exceed the remaining payment amounts due to Service Provider, Ibercal shall invoice Service Provider for the backcharge work and payment will be due forty-five (45) Days from the invoice date.

Ibercal's performance of backcharge work will not relieve the Service Provider of its remaining responsibilities and obligations under the Agreement and/or Purchase Order.

Service Provider shall promptly replace such Agreement deliverables and hold Ibercal and Customer harmless from and against any and all liability, damage, loss, cost, or expense, including attorneys' fees, with respect thereto.

After Service Provider's correction of defective or nonconforming Work, the Warranty Period shall be either (a) one year after the completion of the Work necessary to correct the defect or nonconformity; or (b) the remainder of the Warranty Period as of the date on which the Service Provider receives written notice of the defect or nonconformity, whichever is longer. In no event shall the Service Provider be liable for breach of warranty for any defect resulting from Ibercal's specifications or designs or those of its suppliers or subcontractors other than the Service Provider.

The Service Provider further represents and warrants to Ibercal that:

14. INSPECTION RIGHTS

Ibercal and the Customer shall have the right, at reasonable times and frequencies and during normal working hours, to inspect and review the Work being performed by the Service Provider or its authorized subcontractors, pursuant to the Agreement.

15. QUALITY ASSURANCE

Service Provider represents that it has established and implemented a Quality Assurance Program that addresses all the quality requirements for the Work. Ibercal shall have the right to establish, under the Agreement, a separate and independent inspection and testing program for the Work. Should Ibercal establish such a program, Service Provider shall use its good faith efforts to cooperate in the performance of such program. Should it be determined, as a result of such program, that the Work does not conform to the requirements of the Agreement, the Parties shall mutually agree as to the method of correcting the nonconformance. Such program shall not in any way release Service Provider from its obligations under the Agreement.

The obligations contained in this Article shall apply to Service Provider's subcontractors, and Service Provider must impose the same obligations on its subcontractors through its contracts or agreements with its subcontractors.

Ibercal shall be allowed access to Service Provider's facilities to inspect workmanship, observe tests and inspections, expedite delivery, and obtain required information for the Work. Service Provider shall use good faith efforts to obtain for Ibercal the same access rights at subcontractors' facilities.

Service Provider shall respond to Ibercal in writing to all audit findings within a reasonable amount of time from the receipt of the audit report. Responses should include timelines and plans for closure of all corrective actions and commitments.
